

INSTRUCTIONS REGARDING
LEVEL 3 COMMUNICATIONS, LLC TARIFFS
FOR SERVICES IN THE STATE OF CALIFORNIA

Pursuant to California Public Utility Commission Decision 01-07-026, Level 3 Communications, LLC (“Level 3”) is posting its effective California telecommunications service tariffs on its web-site at www.level3.com. Below, please find additional instructional information concerning use and availability of tariff information.

Level 3’s Toll Free Number

To contact Level 3 with requests or questions about its California tariffs you may call:

1-877-4LEVEL3 (1-877-453-8353)

This number may also be used to request copies of pending applications, advice letters or no longer effective tariffs. If a Level 3 tariff published on its web-site does not appear to contain an otherwise required map, a copy of such map may be requested by calling this number.
